## Compulsory Group Personal Accident Scheme for Schools 2019/2020

The Compulsory Group Personal Accident Scheme for Schools is arranged by the Irish Rugby Football Union to provide fixed benefits for death or serious injury following accidents incurred whilst playing or officially training for rugby.

- The Scheme is funded by an Insurance Policy, arranged on behalf of the Irish Rugby Football Union by their Insurance Brokers, Aon. The Policy is issued by Aviva Insurance Ireland DAC.
- There is no legal obligation on the Irish Rugby Football Union to provide insurance cover. Risk is an inherent factor in sport, as in life. When players voluntarily take part in games, they accept the risks that such participation may bring.
- The Compulsory Insurance Scheme does not seek to compensate fully for injury. Its purpose is to provide a minimum level of cover and ultimate responsibility lies with the player's parent/ guardian to ensure that full cover operates in accordance with specific needs.

## Additional Cover

Additional cover for various fixed benefits is available to schools through a number of schemes offered by different insurers. These schemes generally cover all school activities but can also provide 24 hour cover. They are very competitively priced. It is strongly recommended that the school avails of this cover or recommends to parents/guardians that they do so.

## Advice to Parents/Guardians

Whilst the benefit provided by the Irish Rugby Football Union scheme is substantially greater than that provided by other sports bodies or rugby unions, please note that it is not intended that this benefit is sufficient to fully compensate for serious injury.

So that there is no misunderstanding, the Union ask the school to;

1. Advise the parents/guardians of the cover provided by the Union
2. (If not already doing so) avail of or encourage parents / guardians to avail of the additional schools personal accident insurance schemes referred to above
3. Encourage parents/ guardians to take out separate additional cover

Aon will be glad to provide assistance to schools, parents or guardians.
