

# RugbyConnect Guide to Making a Vetting Application (NI)<sup>1</sup>

Please note, this guide is for individuals who are working/volunteering in a regulated position in a club in Northern Ireland. That is, work or activity that involves teaching, training, caring for and supervision of children 'frequently' (once a week or more) or 'intensively' (4 or more days in a 30-day period or overnight).

RugbyConnect is the online administration system for clubs affiliated to the IRFU. It will be the sole platform for all aspects of game and competition management. It features a wide range of paperless functionalities to help volunteers manage areas such as player registration, **safeguarding** and club membership.

All adult players and coaches will need to register (or renew) their membership each season in order to participate in rugby activities.

The system is also designed to play its part in COVID-19 risk management and includes a paperless version of the IRFU's Pre-Rugby Personal Assessment Form.

This guide will take you through the creation of your record (if you don't already have one) and how to get a safeguarding credential as a coach or other relevant volunteer.

## **Assistance with RugbyConnect**

For assistance you can contact your Club Welfare Officer and/or your Spirit of Rugby Officer:

• Kerry Spence (Ulster) - <u>kerry.spence@ulsterrugby.com</u>

## Creating Your Account in RugbyConnect

All coaches, volunteers, helpers, etc. will need to create an account before applying for a safeguarding record. There are 2 ways that you can register with your club.

#### 1. Registering through <a href="https://rugbyconnect.irfu.ie/">https://rugbyconnect.irfu.ie/</a>

Select the province your club is located in. Then scroll down and select the club you wish to register with, followed by the role you are registering for. If you will be carrying out more than one role, you can add additional roles once your account is created.

#### Registering through your club's direct link 2.

Some clubs may distribute a direct registration link to their members and ask you to sign up using it.

## Logging Into Your Account in RugbyConnect

Once you have created your account you can log in at any time to amend or edit your details:

https://irfu.sportsmanager.ie/sportlomo/users/login

or https://rugbyconnect.irfu.ie/ - select Member Login at the top of the screen.

## **Upgrading Your Membership in RugbyConnect**

Some members may be required to upgrade their registration. For example, if you have registered as a player and also need to register as a coach. In order to upgrade, login into your account using one of the links above. On the homepage you will find your 'membership card' which should have an option to 'add/upgrade your membership'.

### Points to note

- Some details can only be amended by your Branch, such as Date of Birth and IRFU ID number.
- All details stored in our system are secure and follow the IRFU data provisions: https://www.irishrugby.ie/privacy/
- RugbyConnect will automatically generate a new IRFU ID number for each person who registers. Where an old IRFU ID number exists, we will endeavour to match this to the new one during the course of the season.
