

CHILD SAFEGUARDING STATEMENT

The Irish Rugby Football Union (IRFU) provides rugby activities to young people through participation in 197 affiliated clubs and 4 Branches and through national programmes and events, including representative panels, mini and youth coaching and competitions, squad camps and participation programmes in schools and related youth events.

The IRFU is committed to the enjoyment of rugby by young people. It values and encourages the participation of parents, coaches and volunteers in rugby for participants under 18-years of age. The policy of the IRFU regarding safeguarding children is to respect the dignity and rights of Age Grade Players.

The IRFU will strive throughout its organisation and spheres of influence to promote, create and maintain safe environments for Age Grade Players. It will endeavour to maintain the key values of Respect, Inclusivity, Integrity, Excellence and Fun. A detailed safeguarding policy can be found here, <https://www.irishrugby.ie/playing-the-game/spirit-of-rugby/safeguarding/safeguarding-policy/> and the Sports Councils' Code of Ethics/Safeguarding Guidance should be used where the IRFU has not published specific guidelines, in particular with regard to the principles to safeguard children from harm, <https://www.sportireland.ie/ethics/safeguarding-guidance-for-children-and-young-people-in-sport>

The IRFU carried out a risk assessment for any potential harm to a child while involved in rugby. These risks were categorised under the following headings Recruitment, Club and Coaching Practices, Reporting, Complaints, Facilities, Communication and General Risk of Harm. The assessment reviewed the areas of potential risk of harm, the likelihood of the risk occurring, and gives the required policy, guidance and document links required to manage these risks. The written risk assessment and the procedures for managing these risks is available at the end of this statement and on the IRFU website, <https://www.irishrugby.ie/playing-the-game/spirit-of-rugby/safeguarding/>

Our child safeguarding statement has been developed in line with requirements of the IRFU under the Children First Act 2015 and in Northern Ireland, the Club Framework for Safeguarding Standards. In addition to the procedures listed in our risk assessment, the following procedures are in place as part of the IRFU Safeguarding Policy and support our intention to safeguard children:

- Procedure for the safe recruitment and selection of workers and volunteers to work with children, <http://www.irishrugby.ie/playingthegame/development/safeguarding/recruitment.php>
- Procedure for provision of and access to child safeguarding training and information, including the identification of the occurrence of harm, <http://www.irishrugby.ie/playingthegame/development/safeguarding/training.php>
- Procedure for the reporting of child protection and welfare concerns to Tusla (Ireland) and Gateway (Northern Ireland) through the National Safeguarding Officer and appointed Mandated Person within IRFU: Stephen Gore, 086 6087943 / stephen.gore@irfu.ie. The National Safeguarding Officer is the Relevant Person as per Children First Act. Other staff and volunteers within the organisation may hold the role and responsibility of a Mandated Person as per Schedule 2 of the Act but have not been appointed by the IRFU

The IRFU expects those involved within club age-grade rugby to adopt and supervise the implementation of these safeguarding principles and standards. The IRFU recognises that implementation is an ongoing process. It is committed to the implementation of this Child Safeguarding Statement and accompanying safeguarding policy and procedures to keep children involved in rugby safe from harm. This will be done through the implementation of the IRFU Safeguarding Guide and safeguarding audit.

IRFU RISK ASSESSMENT

This risk assessment considers the potential for harm to come to children whilst they are in the care of the Irish Rugby Football Union and gives the required policy, guidance or process documents required to alleviate these risks. This risk assessment has been carried out prior to the publication of the IRFU's Child Safeguarding Statement (Section 11 (1b) Children First Act 2015). In this context and in accordance with the requirements of *Section 11 (1) of the Children First Act 201*, that states "as a provider of a relevant service we will undertake an assessment of any potential harm to a child while availing of the service"; the risk is of abuse and not general health and safety risk. This risk assessment is also in accordance with Sport Northern Ireland's Club Framework for Safeguarding Standards in Sport and as such can be used by the IRFU's constituent Provinces.

The risk assessment indicates the areas of potential risk of harm, the likelihood of the risk occurring, and gives the required policy, guidance or process documents required to alleviate these risks. The list of risks identified and procedures to manage these risks are listed in relevant categories overleaf and are based on the IRFU Club Safeguarding Guide.

- This risk assessment has been completed with National Safeguarding Officer and other members of Spirit of Rugby Committee
- The Committee recorded this risk assessment in 2025 and published a Child Safeguarding Statement thereafter.
- All Age-Grade staff and volunteers (e.g. coaches, manager, team assistants) working regularly and continuously with Irish Squads (or where their role is a necessary part of working) with young people and/or vulnerable adults have been vetted and have signed the Declaration of Intent.
- The IRFU appointed a Mandated Person and listed their contact in the Child Safeguarding Statement.
- Templates were developed and distributed to clubs, along with links to relevant policies
